Recaldent Red Grape Mint Gum

Recaldent Red Grape Mint gum contains Xylitol and even more RECALDENT (CPP-ACP).

RECALDENT (CPP-ACP) has been shown to:

- Inhibit demineralisation of dentine and enamel
- Inhibit caries progression
- Promote remineralisation of early carious lesions
- Help reduce dentine sensitivity
- Improve the acid resistance of enamel
- Interact with fluoride to significantly increase plaque fluoride content

Recaldent Red Grape Mint gum comes in a packet of 14 individually wrapped pellets which are packaged in a box of 20 pkts.

NEW! *Waterpik Cordless Plus Water Flosser*

Easier and more effective than flossing with string, the Waterpik Cordless Plus Water Flosser WP-450 powers away plaque and debris between teeth and below the gum line. The Cordless Plus Water Flosser features a dual water pressure control system that provides gentle-to-deep cleaning, four unique tips that clean in specialised ways, and a cordless design for flexibility and convenience.

The WP-450 is ideal for those who don't like to floss, as well as for anyone with braces, implants, crowns, bridges or periodontal pockets.

\$170

Sugar Poster

Show you patients just what they're drinking! This innovative poster draws to the patient's attention just how much sugar is present in popular drinks. Hearing that a can of soft drink has up to 20 teaspoons of sugar in it sounds bad but when you actually see the 20 teaspoons of sugar in front of you it really makes you think twice about drinking it! *sugar not included

Sonicare for Kids

Let music motivate young patients to brush

- **KidPacer:** Fun musical tones indicate when it is time to move to another quadrant of the mouth to help ensure a thorough, full-mouth clean.
- **KidTimer:** Helps children reach the recommended two-minute brushing time by increasing the brushing duration over the course of 90 days.
- **Ergonomic handle**
- **Fun interchangeable front panels**
- **Age-appropriate brush head sizes**
- **Two kid-friendly power modes** for gentle yet effective brushing
- Uses the same patented technology as other Philips Sonicare toothbrushes
